2. ISSUE MANDATE

In order to ensure and give flexibility and discretion to the Directors in the event that it becomes desirable for the Company to issue any new Shares, approval is to be sought from the Shareholders, pursuant to the Listing Rules, for the Issue Mandate to issue Shares. At the Annual General Meeting, an ordinary resolution no. 8 will be proposed to grant the Issue Mandate to the Directors to exercise the powers of the Company to allot, issue and deal with (including any sale or transfer of treasury shares out of treasury) the additional Shares not exceeding 20 per cent of the number of issued Shares (excluding treasury shares, if any) as at the date of passing of the resolution in relation to the Issue Mandate.

As at the Latest Practicable Date, the issued Shares comprised 1,257,447,000 Shares. In addition, subject to a separate approval of the ordinary resolution no. 10, the number of Shares repurchased by the Company under ordinary resolution no. 9 will also be added to extend the 20 per cent limit of the Issue Mandate as mentioned in the ordinary resolution no. 8 provided that such extended amount shall not exceed 10 per cent of the aggregate number of Shares in issue (excluding treasury shares, if any) as at the date of passing the resolutions in relation to the Issue Mandate and the Repurchase Mandate. The Directors wish to state that they have no immediate plans to issue any new Shares pursuant to the Issue Mandate.

The Issue Mandate, if approved, will continue to be in force from the passing of the aforesaid resolutions until whichever of the following first occurs: (i) the conclusion of the next annual general meeting of the Company; (ii) the expiration of the period within which the next annual general meeting of the Company is required by any applicable laws or the Articles of Association to be held; and (iii) the revocation or variation of the mandate given under such ordinary resolution by an ordinary resolution of the Shareholders in general meeting.

3. REPURCHASE MANDATE

In addition, an ordinary resolution will be proposed at the Annual General Meeting to approve the granting of the Repurchase Mandate to the Directors to exercise the powers of the Company to repurchase Shares representing up to 10 per cent of the number of issued Shares (excluding treasury shares, if any) as at the date of passing of the resolution in relation to the Repurchase Mandate.

LETTER FROM THE BOARD

The Repurchase Mandate, if approved, will continue to be in force from passing of the said resolution until whichever of the following first occurs: (i) the conclusion of the next annual general meeting of the Company; (ii) the expiration of the period within which the next annual general meeting of the Company is required by any applicable laws or the Articles of Association to be held; and (iii) the revocation or variation of the mandate given under the resolution by an ordinary resolution of the Shareholders in general meeting.

Unless there is a material change in the basis or assumptions set out above, the final audit fee should not deviate materially from the above estimated amount. In the event of any material change, the Company will make further disclosure as appropriate.

Save as disclosed above, there are no other matters concerning each of the above Directors that need to be brought to the attention of the Shareholders in connection with his/her re-election and there is no other information that should be disclosed pursuant to Rule 13.51(2) of the Listing Rules.

The following is an explanatory statement required by the Stock Exchange to be sent to the Shareholders under the Listing Rules in connection with the proposed Repurchase Mandate.

1. LISTING RULES

The Listing Rules provide that the company whose primary listing is on the Stock Exchange may only repurchase shares on the Stock Exchange, either directly or indirectly, if:

- (i) the shares proposed to be repurchased by the company are fully-paid up;
- (ii) the company has previously sent to its shareholders an explanatory statement complying with the Listing Rules; and
- (iii) its shareholders have given a specific approval or a general mandate to its directors to make the repurchase(s), by way of an ordinary resolution which complies with the relevant provisions of the Listing Rules and which has been passed at a general meeting of the company duly convened and held.

2. SHARE CAPITAL

As at the Latest Practicable Date, the issued Share capital comprised 1,257,447,000 Shares of nominal value of US\$0.01 each. Subject to the passing of the resolution granting the Repurchase Mandate and on the basis that no further Shares are issued or repurchased before the Annual General Meeting, the Company will be allowed to repurchase a maximum of 125,744,700 Shares, which represent 10 per cent of the number of issued Shares (excluding treasury shares, if any) as at the date of passing of the resolution in relation to the Repurchase Mandate.

The Company may cancel the repurchased Shares under the Repurchase Mandate, and/or hold them as treasury shares subject to, for example, market conditions and its capital management needs at the relevant time of the repurchases.

For any treasury shares deposited with CCASS pending resale on the Stock Exchange, the Company shall (i) procure its broker not to give any instructions to HKSCC to vote at general meetings of the Company for the treasury shares deposited with CCASS; and (ii) in the case of dividends or distributions, withdraw the treasury shares from CCASS, and either re-register them in its own name as treasury shares or cancel them, in each case before the record date for the dividends or distributions, or take any other measures to ensure that it will not exercise any Shareholders' rights or receive any entitlements which would otherwise be suspended under the applicable laws if those shares were registered in its own name as treasury shares.

3. REASONS FOR AND FUNDING OF REPURCHASES

The Directors believe that it is in the best interests of the Company and the Shareholders as a whole to seek a general mandate from the Shareholders to enable the Company to repurchase its Shares. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value per Share and/or its earnings per Share and will only be made when the Directors believe that such a repurchase will benefit the Company and the Shareholders as a whole. Neither the explanatory statement nor the proposed share repurchase has any unusual features.

Repurchases of Shares will be financed out of funds legally available for the purpose in accordance with the Articles of Association, the Listing Rules and the applicable laws and regulations of the Cayman Islands. The Companies Act provides that the amount of capital repaid in connection with a share repurchase may be paid out of the profits of the Company or the proceeds of a fresh issue of Shares made for the purposes of the repurchase or out of capital subject to and in accordance with the Companies Act. The amount of premium payable on repurchase may only be paid out of either the profits of the Company or out of the share premium account before or at the time the Company's Shares are repurchased in the manner provided for in the Companies Act.

The Directors would only exercise the power to repurchase in circumstances where they consider that the repurchase would be in the best interests of the Company and the Shareholders as a whole. The Directors consider that if the Repurchase Mandate was to be exercised in full, it may not have a material adverse impact on the working capital or the gearing position of the Company, as compared with the positions disclosed in the audited consolidated financial statements of the Company as at 31 December 2025, being the date to which the latest published audited consolidated financial statements of the Company were made up. The Directors do not propose to exercise the Repurchase Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or on the gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

4. TAKEOVERS CODE

If as a result of a repurchase of Shares pursuant to the Repurchase Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of Rule 32 of the Takeovers Code. Accordingly, a Shareholder, or a group of Shareholders acting in concert (within the meaning of the Takeovers Code), depending on the level of increase in the Shareholder's interest, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code. Save as aforesaid, the Directors are not aware of any consequences which would arise under the Takeovers Code as a result of any repurchase of Shares pursuant to the Repurchase Mandate.

As at the Latest Practicable Date, to the best knowledge and belief of the Directors, Mr. Li Xinzhou and the parties acting in concert with him (the “**Concert Parties**”) for the purpose of the Takeovers Code, own or control a total of 844,509,000 Shares, representing approximately 67.16% of the issued share capital of the Company. Among which, Mr. Li Xinzhou and his spouse Ms. Wu Qian directly and indirectly hold 9,714,000 Shares and 834,795,000 Shares, respectively. In the event that the Directors should exercise in full the Repurchase Mandate, the aggregate interests of the Concert Parties will be increased to approximately 74.62% of the issued share capital of the Company. On the basis of the aforesaid increase of shareholding, the Directors are not aware of any consequences of such repurchases of Shares that would result in a Shareholder, or group of Shareholders acting in concert, becoming obliged to make a mandatory offer under Rule 26 of the Takeovers Code if the Repurchase Mandate was exercised in full. As the exercise of the Repurchase Mandate in full would result in insufficient public float of the Company, the Directors have no intention to exercise the Repurchase Mandate to such an extent that the public shareholding is less than the minimum public float requirement of 25% of the total number of issued Shares.

As at the Latest Practicable Date, the following Shareholders had interests representing 5% or more of the issued share capital of the Company:

Name of substantial Shareholder	Capacity/ Nature of interest	Number of Shares interested	% of issued share capital
Li Xinzhou	Interest of spouse (<i>Note 2</i>)	834,795,000 (Long Position)	66.39%
	Beneficial owner	9,714,000 (Long Position)	0.77%
Wu Qian	Interest of controlled corporation (<i>Note 1</i>)	833,392,000 (Long Position)	66.28%
	Interest of spouse (<i>Note 3</i>)	9,714,000 (Long Position)	0.77%
	Beneficial owner	1,403,000 (Long Position)	0.11%
